

TALKING WITH YOUR KIDS

about crystal meth and other
addictive drugs begins here

TalkingWithYourKids.ca

Provincial and territorial governments across Canada are working to ensure that young people have what they need to make the right choice about dangerous drugs such as crystal methamphetamine. As a parent or family member, you have an important role to play. That's why we are providing families with support and information - so you can talk with your kids about addictive drugs and seek help when needed.

Knowledge is power. Get the facts. Find out about the resources and support available to you.

A message from the Council of the Federation, an organization of Canada's 13 provincial and territorial Premiers.
